ABOUT ME

I completed high school in 2022 and am currently a dedicated Fourth-year student at the Institute of Technology of Cambodia, where I am majoring in Information and Communication Engineering. Throughout my academic journey, I have developed a strong interest in technology and communication, which has driven me to continuously seek opportunities to apply and expand my knowledge. I am enthusiastic about contributing my unique blend of technical skills, adaptability, and passion for learning to any professional environment I become a part of. I am confident in my ability to bring value to any team I join.

WORK EXPERIENCE

- Participated as a volunteer in TECH ANIME GAME EXPO (TAG Event 2024)

SKILL EXPERIENCES

- Communication with people and be a supporter in team.
- patient and committed to delivering quality work, even in challenging situations.
- Adaptable and willing to learn new skill quickly.
- I can use my computer well through by relating to my major as coding.
